

DAY 5: WHO SHOULD BE BAPTIZED?

When you accepted Jesus' gift of salvation, God adopted you as His child. Anyone who has decided to follow Jesus should be baptized - that's the only requirement! Time and time again we read in scripture that people believed and were baptized. So if you're questioning whether you should be baptized, simply ask yourself one question: Have I given my life to Jesus and made him the Lord of my life?

If the answer is yes and you haven't been baptized, that is your next step! As we mentioned before, we do believe that baptism is most significant and helpful when the person being baptized is old enough to understand that commitment. As a teenager, this will be up to the discretion of your parents, so please have a conversation with them about this.
