

DAY 3: WHY GET BAPTIZED

We hinted a little bit about this earlier, but one reason to get baptized is because it can be a defining moment in your life and walk with Christ. It becomes the day you're able to look back on and say, *"God began to change my heart and life that day in a new way because I took a step of faith."*

Stepping out of our comfort zones in obedience often tends to open up new levels for God to bless us in our lives. Blessing follows obedience.

So why should you get baptized? Because Jesus did and said He was doing so in order to set an example for us.
